and Mount Abraham Unified School District
Publicly Funded Preschool Program Application 2021-2022**

About the Publicly Funded PreK Program:

- Your family may choose the Vermont prequalified PreK program that best meets your needs with regards to schedule, location, and family preferences. Prequalified programs have met certain criteria to demonstrate their quality, including employment of a licensed teacher, STARS rating, and high quality curricular and assessment practices. If your prequalified PreK program does not currently have a partnership with your school district, you may ask that they enter into a partnership for the purposes of receiving the publicly funded tuition.
- To be eligible, children must be aged 3, 4, or 5 on or before September 1st and not be enrolled in kindergarten. Payments for preschool will not be made after a child's 6th birthday.
- If your child is enrolled in a public school PreK program, the school will handle your enrollment.
- If your child is enrolled in a private community PreK program, your school district will pay tuition for your child for 10 hours/week for 35 weeks/year based on a school year calendar. Your PreK program will not charge your family for these hours.
- If the schools receive your application after the school year has started, the tuition amount will be prorated from the date your application is approved and based on a school year calendar. If you have questions regarding your billing statements, please contact your PreK provider directly.
- Families are responsible for child care tuition fees beyond the hours of publicly funded PreK including any school vacation weeks. However, your family may qualify for assistance with paying for child care services. To learn more and for eligibility information regarding child care financial assistance (subsidy) programs, please contact Child Care Resource and Referral at (802) 388-4304.
